### **DESCRIPTION OF FACILITY**

The Club owns and operates a recreational swim club (the "Swim Club").

The Swim Club has two (2) swimming pools. The first is a six lane, twenty-five (25) meter pool of approximately 4,590 square feet, with a four hundred square foot wading area and a diving area with an attached one meter diving board. The second is a 15 foot diameter circular baby pool. Adjacent to the pool area is a 1,200 sq. ft. one-story building of block-type construction with separate enclosed changing, rest room and shower facilities for men and women. The Swim Club site contains an unpaved parking area for approximately 50 vehicles.

The operations of the Swim Club are under the direction of the Club's Board of Trustees. The following description of Club operations is subject to change from time to time, but illustrates the Club's activities in recent years. The Club's first year of operation was 1993.

The Swim Club pool and related facilities are generally open to use by the membership from approximately Memorial Day through Labor Day. Through June, the pool has been open weekends only; during July and August, the pool has been open seven days per week. The operating hours have been 12:30 to 8:00 p.m. on weekdays, 11:30 a.m. to 7:30 p.m. on weekends. In the mornings, the pool has been limited to use by the Swim Club's swim team.
